

# HELP US RESEARCH BRAIN HEALTH WITH A QUICK SMELL TEST

RESEARCHERS AT MASSACHUSETTS GENERAL HOSPITAL WANT TO LEARN MORE ABOUT ONE'S **SENSE OF SMELL** (OLFACTION) & HOW IT'S IMPACTED BY **HEALTHY AGING** AND **NEURODEGENERATIVE DISEASES**.

IN THIS 60-MINUTE STUDY YOU WILL **PEEL AND SNIFF** ODOR LABELS AND **ANSWER QUESTIONS** ABOUT THE ODORS.

## WE ARE RECRUITING INDIVIDUALS WHO...

- are 18 years old or older
- don't get sick from fragrances (i.e. severe asthma or nausea)

EARN \$50 BY COMPLETING THIS STUDY!
